We are co-located at NSE Data centre in Mumbai, where we are using our Algorithm based trading Software popularly known as High Frequency Trades.

Management

Mr. Kedar Nath Agrawal, the founder Chairman of KSBPL, has vast experience of 36 years in Capital Market . He became a broker-member of CSE (Calcutta Stock Exchange) in the year 1981 through the firm M/s Kedar Nath Agrawal and in a very short span of time he became a common name in the trading circles of Calcutta Stock Exchange. He was also elected as a Board Member of CSE for 1993-1996.

Mr. Navin Agarwal, CEO & Compliance Officer of KSBPL joined the family run brokering business, after a four years stint at Price Waterhouse Coopers as a consultant, at the age of 25. He has experience of more than 17 years in trading in Indian Equity Markets. He acquired expertise in technical analysis and Arbitrage trading and heads the prop desk. He is also responsible for new trading ideas and building new algorithm for the prop desk.

Our Mission

- To provide holistic financial solutions that meet client needs and exceed expectations
- To offer excellence in services while delivering value to clients
- To foster a knowledge rich environment for all our associates
- To be a delight to work with- for all our stakeholders.
